FOR THE SAFE ROUTES TO SCHOOL PROGRAMME ROUND 1**

### **HOW IT BEGAN:**

Students all over Ireland have realised it's healthier, happier and better for our environment if we walk, cycle, scoot and travel sustainably to school.

The Department of Transport fund the National Transport Authority and your friends in Green-Schools to work with schools to see how we can make this happen!

YOUR SCHOOL WAS SELECTED AS ONE OF THE SCHOOLS  
FOR THE SAFE ROUTES TO SCHOOL PROGRAMME ROUND 1

# SAFE ROUTES TO SCHOOL

THE AIMS OF THE PROGRAMME ARE TO:

1. Create a **School Zone** or a safe space for students at the front of the School by freeing up footpaths and reducing pickups and idling in this space.
2. To **improve safety along routes** which could be used by students to walk, cycle, scoot or skate to school.
3. To make more **Bike Parking** available to schools.

## WHAT IS A SCHOOL ZONE:

A School Zone is an initiative designed to give priority to students at the school gate by freeing up footpaths and reducing vehicle drop-offs, pick-ups and idling.

in a School Zone the overall design objective is to reduce congestion and increase safety at the front of school, and thereby prioritise active travel to and from school.
